A WELL THOUGHT OUT PLAN

“I will not drive them out from before you in one year, lest the land become desolate and the beasts of the field become too numerous for you. Little by little I will drive them out from before you, until you have increased, and you inherit the land.” – Exodus 23:29-30 NKJV

As the Israelites continue their Exodus, the Lord reassures them that they are not alone. The people are told that He will send His angel ahead of them to prepare the way. There are other peoples occupying the land which they will be traveling through on their journey, but if the people will trust and follow the Lord’s angel, they will find a way through. Sounds like a plan!

But there’s a catch! The Lord (with His angel) is not going to clear out the entire route from the get go. No, He will clear it out a little at a time. Why? Because the people will not be ready to occupy it all at the same time and so the beasts of the field will take over.

The result is that the Israelites must trust the Lord and His angel each and every step of the way. As the people move forward on their journey, as they increase in numbers and ability (demonstrating faithfulness) the Lord will clear out just enough land for them to move into. It’s kind of like the whole “daily bread” image (manna & The Lord’s Prayer). The Lord will give just enough, at the right time.

As I read this passage in the Chronological Bible a couple of weeks ago I received it as a word of re-assurance for us as well. Both individually and as a congregation we need to know that the Lord will continue to provide just enough and at the right time. Whatever difficulty or trial we may be facing, financial, relationships, time management, etc. if we will trust the Lord, He will provide a clearing for us to take the next few steps forward. Human nature compels us to look for the wide-open, smooth path, but the Lord knows what is best for us. By opening up just enough room, until we increase, He will prevent the wild beasts from taking over and by trusting Him we will eventually take possession of all that He has prepared for us.

In my humble estimation this is truly **A WELL THOUGHT OUT PLAN!**

Blessings, *Pastor Kent*

Small Groups

Have you joined a small group yet? All members of UMC, Branford are encouraged to participate in a regular small group gathering. Small groups are an important ministry as we build Christian Community among the members of UMC, Branford and as we strive to provide a faith connection for people who are seeking fellowship and a deeper connection with Jesus Christ. We look for 4 components to exist in our small groups, meet at least monthly, share a devotional time, share prayer concerns (and communicate them to the office) and take attendance (because we want to make sure we are staying in touch with everyone).

Below you will see a list of some of our UMC, Branford Small Groups. Please feel free to email the church office with additions to this list.

WORLD DAY OF PRAYER Friday at Noon, March 4th St. Elizabeth Church, Branford

Please join us as we share World Day of Prayer with the women of Cuba who invite us to consider these words: Receive Children, receive me. The women of “Cuba” share their stories of intergenerational wisdom, traditions and experience of God’s profound love and acceptance. We will learn how Jesus responds to his disciples

when the little children come to him. “Let the little children come to me; do not stop them; for it is to such as these that the kingdom of God belongs” (Mark 10:14-15) We are invited to see Jesus with childlikeness and boldness. We are challenged and encourage to wholly receive others as Jesus calls us, into the kingdom of God.

LEARN & PLAY NEWS

February was a busy month at Learn & Play. We had so many activities planned and had to have extra flexibility to fit them all in with the winter weather causing some difficulties.

Our “Sports Day” was a lot of fun even if it was postponed until after the Super Bowl because of a snow day. Children got to wear their favorite sport shirt and participated in lots of sport activities in Herr Hall during their gross motor time thanks to Ms Bekah. Even the infants got to play with footballs and sensory bottles that held lots of sport items. Older children played basketball, pin the football on the goal post, worked an obstacle course and jumped through hoops. All this was in conjunction with our soup collection which, at the time of this writing, had collected 85 cans of soup. A little short of our goal but still a nice response.

We have been talking about the Parables of Jesus and how they teach us about God’s love. Specific parables that we have talked about were The Sower and the Seeds, The Good Samaritan, The Two Builders and The Lost Coin. Our traditional theme has been Nursery Rhymes.

Going into March we will be talking about the days leading up to Easter, spring and weather. We look forward to our joint Easter Egg hunt with our Church friends on Saturday, March 12th at 10:30am. Please see a separate article with more details on this. Our faith point will be Jesus is Alive! And our memory verse will be from Luke 24:6, “He is not here. He is alive.”

Summer Camp Coming Soon! Learn & Play will conduct summer camp for 9 weeks from June 27-August 26. for children ages 3-5 years old. Our theme this year will be The Summer Olympics. Each week we will visit a different country, highlight a different sport, explore new foods, crafts, games and of course have daily water play. Fun enhancement visitors are also planned. Limited spacing is available to the public on a first come first served basis. For specific information, availability and pricing, please contact the school at 203 488-4028.

Fall Registration! It’s not too early to start thinking about fall registration. Some classes are actually full already! If you know of someone that may be looking for a program for their child, please have them contact us as soon as possible to arrange a tour and reserve a spot in one of our classes.

THE GREATEST MAGIC SHOW ON EARTH

HOW TO MAKE GOD DISAPPEAR

THE TRICK

According to a few well known physicists in the world today, our universe came into being from nothing. Is this a scientific fact or is it simply a clever magic trick? They say the universe created itself out of nothing, and God does not exist, nor is He needed. So with this great discovery, atheism must be true. There is no supernatural being; God has disappeared.

Is this really the best explanation for our existence or is it magic? What is magic all about? It is creating an illusion to make something look like something it is not. For example, a magician pulls a rabbit out of a hat that has "nothing" in it. Thus a rabbit arises (abracadabra) out of nothing. So does the same theory apply to our universe?

Believe it or not, this is almost exactly what this small group of scientists and atheists are doing! They have created an illusion that the entire cosmos (yes the entire universe) came into existence out of nothing.

Well we don't need physicists to know that being cannot come from non-being. We know that something never comes out of absolutely nothing. That would be ridiculous!

So I ask, which is the best explanation for the cause of the universe? 1. The universe sprang into existence uncaused from absolutely nothing; 2. God caused the universe to come into existence. The answer is obvious.

GOD CREATED THE UNIVERSE.

Jesus truly said (John 11:25):
I am the resurrection and the life.

Jesus is risen (Matthew 28:7)

LET'S ALL KEEP OUR STRONG FAITH IN THE LORD.

LOOKING FOR YOUR TABS
NEXT FILL UP DATE IS:
March 31st.

Collecting pop tabs is a fun and easy way to support the Ronald McDonald House New Haven.

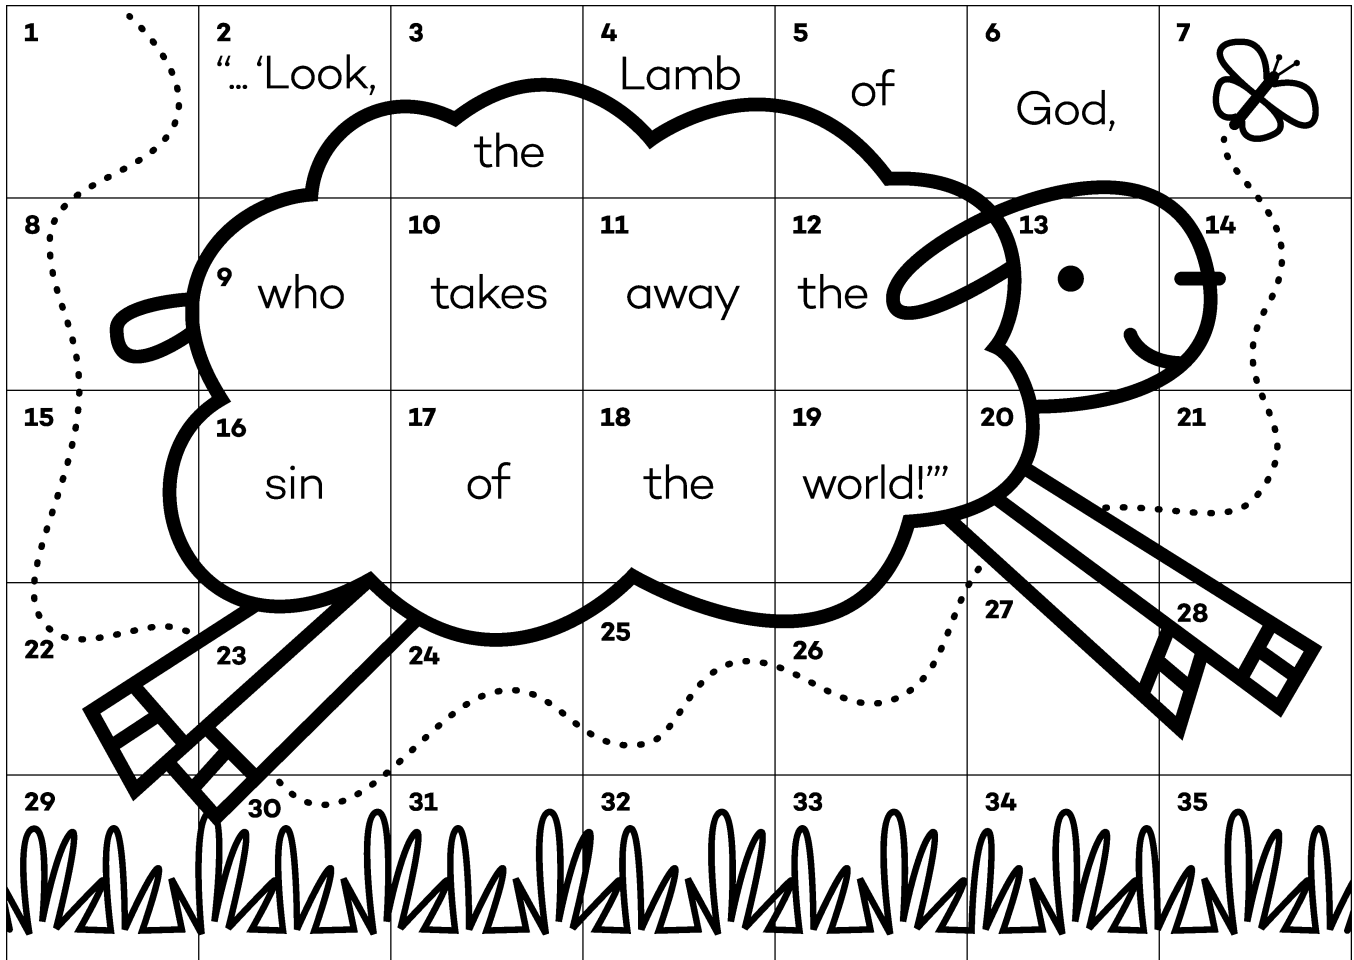

All of the money is used to support families staying in the Ronald McDonald Houses while their children are undergoing medical treatment.

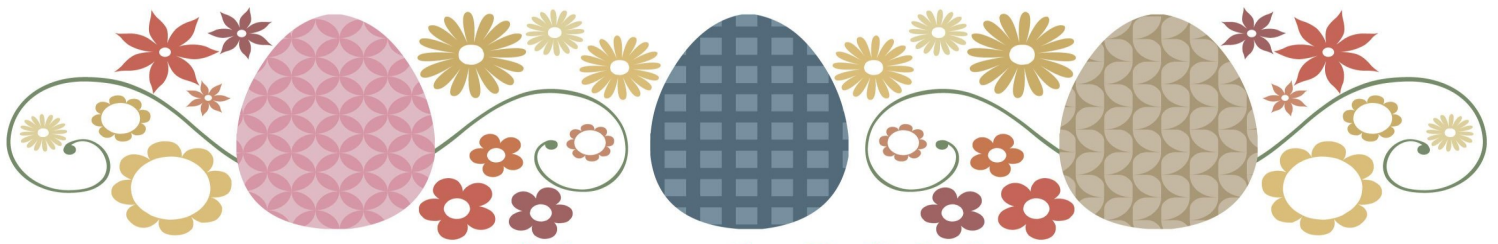

It's easy! All you need to do is remove the pop tab from each can before you put the can in your recycle bin. It's fun! You can involve community groups and your family in supporting the cause without a lot of effort.

Check all your cans for tabs, they add up quickly. Put a small jar on your counter and you will be surprised how fast it will fill up.
